The CROWN
AT WORTHINGTON
WEDDING BROCHURE

Welcome

Here at The Crown, from the moment you enquire about our wedding packages, through to the sun setting on your special day, we want you to feel completely comfortable and at ease. Maybe you're locals, maybe not; regardless we will give you the warmest of welcomes and you'll feel like you are!

Nestled in the tranquil Lancashire countryside, we offer a quiet and idyllic venue, set away from the hustle and bustle, yet easily accessible and just 5 minutes from the motorway. As you find yourself travelling down our rural country road you will be transported to the calm countryside where the white façade of The Crown welcomes you with open arms.

Our traditional inn transforms into the perfect venue, with our upstairs boasting a large function suite to hold a formal wedding breakfast and downstairs has all the best a British public house can offer. We provide that all important balance between a relaxed atmosphere but with all the formalities you could desire.

The Crown dates back to the 1860s when we were known as The Crown Inn. Many landlords have come and gone since then but we pride ourselves on respecting the history and sense of community that The Crown has cultivated over the centuries. We look forward to you, your loved ones and your special day becoming a part of our history.

Venue tour, tasting sessions and event coordinator meetings available upon request.

The CROWN AT WORTHINGTON

WEDDING'S AT THE CROWN

Your wedding will be treated with the utmost importance as our Events Coordinator will guide you through the entire process.

You will have an initial meeting and tour of the venue spaces, a sit down chat where we will discuss all your hopes and dreams and then as many follow up meetings as necessary for you to feel ready to book with us. Once booked we will stay in contact with you until your big day, available to answer all your questions as the special day approaches.

We have a number of options available to couples here at The Crown. Whether it is a simple Evening Reception, dance floor and DJ you're looking for or your full, after ceremony celebrations - we've got you covered! We look forward to becoming part of your love story.

Wedding Breakfast

Our wedding breakfast menus are lovingly designed by our head chef to offer an array of flavours and balance across both the standard and premium menus. We offer tasting sessions with our Head Chef, ahead of your big day to allow you to feel comfortable with your food choices. We will discuss food allergies and dietary requirements for you and your guests during this time also.

Evening Buffet

The evening buffet allows your guests to graze as and when they get the munchies! This takes the day into the night, as all the formalities of the day have passed and everybody lets their hair down. As with the wedding breakfast, the food can be tasted ahead of time during your tasting session with the head chef. As we are a bespoke wedding venue, please do ask away in regard to food options, as we can provide a wide range of culinary delights to suit each occasion.

The Venue

Please note that you will have access to various areas of The Crown depending on your event terms.

Function Room

Our function room holds 80 guests comfortably for your sit down meal. It is a light and airy space with the ability to be arranged to your requirements. It has a neutral colour scheme of light silver grey and white to allow your colour palette and flowers to really pop. It will be your formal space within the venue and will be where you continue the formalities of the day at your wedding breakfast.

Games Room

The fun zone! Our games room is an informal space where big kids can go to play pool or on our games machine. Alternatively, it can be used as a breakout room where people go to move away from the hustle and bustle of the main bar area or dance floor.

Main Bar Area

A warm and inviting space with a fully licensed bar offering a wide range of beers, spirits and even our hand shaken cocktails. As will be discussed at your wedding consultations, you can request particular draught, spirits and wines be in stock for your special day. Our friendly bar staff will be on duty throughout the night to help your guests have the best of times. There is a log fire area for guests to relax and cosy up, after the special events of the day.

Restaurant

For exclusive venue hire weddings, our 'restaurant' area will be transformed into a dance floor and an area for your DJ or live band. This is a great open space but equally it is separated by doors for those guests who want a quieter experience. We pride ourselves on offering all your guests a unique day/evening, where they can find a space that works just for them.

Patio Area

Our Patio Area takes the party outside... perfect for Spring/Summer weddings yet in the Winter months this is a heated romantic space for taking advantage of those starry nights. With exclusive use of the venue, part of your day may include fireworks (which can be added as an extra). If so, the patio area is a great spot to enjoy the show!

Accommodation

As a traditional pub and inn we do have four bedrooms for you and your guests. These are comfortable and contemporary spaces, equipped with everything you need and countryside views!
We offer bed and breakfast facilities. Breakfast options can be discussed as extras.

Our Local Area

The Crown is located in Worthington, a civil parish within the Metropolitan Borough of Wigan.

The parish church is St. Wilfred's Church (Church of England) Standish and there are churches of all denominations throughout the Standish area; Standish Methodist Church and St Marie Of the Annunciation RC Church.

The picturesque Worthington Lakes is a stones throw away, for a great photo opportunity or just a romantic stroll or fun day out.

Chorley is a Lancashire market town just a few miles from Worthington with all the local amenities you could possibly need.
